

MASCOMA DENTAL ASSOCIATES, PLLC
PAYMENT OPTIONS FOR OUR PATIENTS

Our mission is to deliver the finest most effective dental care available today. Following diagnosis, your doctor will discuss a plan for treatment as well as the cost of your proposed treatment. Patients with insurance coverage may request a pre-treatment estimate of coverage.

If you have insurance we will gladly process your claim but co-payments for each visit are due at the time of treatment. Patients with **no** insurance coverage or insurance plans that reimburse the insured are asked to pay their balance at the time of service.

We offer several payment alternatives for your convenience;
