July 14, 2021

To all our valued patients:

We hope this letter finds you and your family in good health. Although our community has been through a lot over the past year, we are happy to be starting to resume our normal habits and routines. While many things have changed, the one thing that has remained the same is our commitment to your safety.

Infection control is and always has been a top priority in our practice. Our infection control recommendations are made by the American Dental Association (ADA), the U.S. Centers for Disease Control and Prevention (CDC) and the Occupational Safety and Health Administration (OSHA). We follow the activities of these agencies so that we are up-to-date on any new rulings or guidance that may be issued. We do this to make sure that our infection control procedures are current and adhere to each agencies' recommendations.

Recently, our office policy regarding Covid has been updated. Patients can now enter the building without the need of texting beforehand. Our front door is unlocked, but for the safety of our staff and all our patients, masks are still required-regardless of vaccination status-and must be on before entering the building. Masks must cover your nose and mouth and be worn at all times other than when in treatment.

We are happy to accommodate those of you who still prefer to text us and wait in your vehicle until your provider is ready for you. The number to text us remains the same: 603-667-8996. Otherwise, you may use our front entrance and utilize our waiting rooms. We have air purifiers in each waiting room as well as in each operatory. We also have hand sanitizers in many areas throughout the office.

For the safety of our staff and patients, please inform us if you are experiencing any Covid symptoms prior to your appointment.

It gives us great pleasure to start seeing our patients on a regular basis once again. It has been wonderful to see so many familiar faces as well as new ones.

Thank you for being our patient. We value your trust and loyalty and look forward to seeing you at your next dental visit.

Sincerely-

  
George Petrescu-Boboc, D.D.S.
